

Report to CFA

April 15, 2013

We do not currently have any Tops in Canada. We have only one active tent as the Ian Garden, Jr. Tent is currently inactive. That leaves only the Fred Logan Tent #119.

The only current contact person for the Fred Logan Tent #119 is C. Arnold Speck.

His address is: C. Arnold Speck

no email address - not on internet

The following is a list of all events attended by members of the Tent from June 1, 2012 to April 15, 2013. We displayed circus models and circus memorabilia at these events and also had a table displaying CFA posters, magazines, membership forms, along with those from other major circus organizations.

- June 8, 9, 10 Our annual Paris show was held at the Paris Fairgrounds with members from Ontario, Michigan, Pennsylvania and West Virginia, with guests from North Carolina.
- July 7 and 8 We attended the Tri-County Heritage and Antique Show in Ilderton, Ontario.
- July 29 The annual barbeque was held at the home of Doris and Al Ward in London, Ontario with members from Ontario and New York State in attendance. Weather was warm and sunny.
- Sept. 29 and 30 We attended the Brampton Model Railroad Show held at the Brampton Fairgrounds where we had our usual display.
- Nov. 3 and 4 Several members of the Tent attended the Syracuse Train Fair at the New York State Fairgrounds. This is a large show and the circus model/circus fans have 30 table of displays. This was a considerably smaller area this year but we still had 25 exhibitors.

Members attended a number of shows during this period including the Cirque du Soleil and Shrine Circus. Unfortunately there are no other circuses operating from or coming to this part of eastern Canada and members have to head south to the U.S. to see additional circuses. The number of shows was down quite a bit this year.

Respectfully submitted,
C. Arnold Speck, President,
Fred Logan Tent #119.
